

We'll be following the guidelines below - but, in particular, please do not come if you are feeling at all unwell or have any of the symptoms normally associated with COVID/OMICRON (fever, cough, loss of taste or smell).

We expect everyone attending to be double-vaccinated (unless exempt) and boosted if appropriate.

We very strongly encourage everyone attending to have taken a Lateral Flow Test - with a negative result - on Sunday morning (or at least within the 48 hours prior to the event).

Please use the Track and Trace app to check in to the hall if you can - and make sure that we have your contact details in case we need to get in touch after the event .

We encourage payment by bank transfer (contact us for details if you haven't got them) to minimise money handling - the cost will be £5.

The hall has a maximum capacity of over a hundred, so it should never feel crowded, but we will keep as many doors and windows open as possible.

The kitchen will be open - cups, plus tea, coffee and milk, will be available for you to use if you wish.

There will be plenty of hand towels, liquid soap and hand sanitiser, which we encourage you to use throughout the afternoon.

It is up to you if/when you wear a mask, but please respect everyone else's choice.
